

Vatika Hotels collaborates with Vatika City's RWA

Management wing, Enviro Signed an MOU with Vatika City's RWA to this effect after having taken care of the Society for more than 15 Years.

In the recent state of affairs Vatika Hotels Pvt. Ltd (VHPL) has forwarded its administrative rights to Vatika City's Resident Welfare Association (RWA). The occasion was received with great delight and pleasure as the Facility

Basis the MOU, Vatika City's RWA will be witnessed having a direct overlook over its cash flow. However, Enviro, on the other hand, will continue to run its Integrated Facility Management services for this Premium Society on Sohna Road, Gurgaon.

On this occasion, Mr. Anupam Varshney, a resident of Vatika City was delighted to state that, 'I am happy to see the RWA stepping ahead by taking on some of the responsibilities from Enviro'. He also suggested that the Facility management company had done a commendable job by maintaining the greenery in society. Another resident, Vineet, said, 'It was a great gesture on the part of VHPL to trust us with this responsibility'.

On the onset of a new era for Vatika City's RWA, the association seems joyful to this new development. Residents look forward to this new era of closer coordination.
